**WEBSITE:** [http://www.secretsresorts.com/en\\_us/resorts/st-martin/st-martin.html](http://www.secretsresorts.com/en_us/resorts/st-martin/st-martin.html)

Located just 35 minutes from the Princess Juliana International Airport, Secrets St. Martin is on the French side of this island, which is known for its outdoor markets, French and Indian Cuisine, and so much more. The island of Saint Martin is governed by France and the Kingdom of the Netherlands (where Dutch Saint Martin is an independent country within the Kingdom). St. Martin provides vacationers the opportunity to enjoy three distinct cultures in this small island in the Caribbean Sea. There is the delightfulness and soberness of the Dutch on one side, the savoir-faire of the French on the other, and the blending of both with exotic native heritage. The French territory where Secrets St. Martin is located, covers about two thirds of the island and is technically a part of Europe and the European Union. You will enjoy nearby fine dining, superb golfing, hiking, island hopping, zip lining and more. **NOTE:** This property is brand new and opens March 2020.
